Partners to Small Businesses and Nonprofit Organizations

1000 Cranes, LLC was created as a business consulting and management firm providing customized solutions in business development, strategic planning and financial analysis. In today's economy, small businesses and nonprofit organizations must stay competitive through efforts in entrepreneurship and social enterprise.

1000 Cranes provides services in the following areas:

- Strategic Planning and Vision Creation**
- Business Plan Development**
- Financial Analysis**
- Staff Development and Customized Training**
- Offsite Retreats**
- On-Site & Remote Consultation and Coaching**

1000 Cranes can customize its services to meet your needs. Whether you need to evaluate your organization's operations and effectiveness, develop your business to become self-sustaining or develop customized training to meet your organization's goals, 1000 Cranes can assist you with your needs.

1000 Cranes is a member of the Alliance for Nonprofit Management, the North Carolina Center for Nonprofits and the Council for Entrepreneurial Development.
